November 9, 2021

Dear Union Grove Members, Friends, and Family:

COVID-19 continues to spread in our communities. Yesterday, Wisconsin had more than 3,000 new confirmed COVID-19 cases for the first time in more than a month.

Since we updated you yesterday, we have had two members test positive for COVID-19. Currently we have seventeen cases of COVID-19 on campus (twelve members, five employees).

As a reminder, when we have cases of COVID-19 in our facility, we are required to limit visitors. All units are currently closed. If you are planning on visiting a member, you should double check the unit's status by calling ahead or checking [www.WisVetsHomesCOVID.com](http://www.WisVetsHomesCOVID.com).

Please continue to follow the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing. Working together, we can stop the spread of COVID-19 by being as safe and responsible as possible.

Sincerely,

*Syble Barry*
